**Summary Of Legislation Before The Joint Standing Committees  
May 1998**

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Amendments Adopted

LD 174 which was considered by the Labor Committee last session, carried over from the First Session by the Appropriations Committee and rereferred to the Labor Committee this year, proposed to increase the State's contribution for the cost of health insurance premiums for retired educators from 25 percent to 30 percent. Again, this year the bill was reported out of the Labor Committee with a divided report, enacted in the House and engrossed and sent to the Special Appropriations Table in the Senate. From there the bill was folded into LD 1950, the Governor's Supplemental Budget bill (see PL 1997, chapter 643, Part OO), and this bill was then indefinitely postponed.
