**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 254 proposed to authorize Robert O'Malley to sue the State and individual past and present employees of the Department of the Attorney General who are covered by a liability insurance policy or policies to recover up to \$250,000 for damages resulting from investigation and prosecution of charges against him.

Committee Amendment "A" (H-337) proposed to replace the resolve. Instead of authorizing Robert O'Malley to sue the State, it requires the Governor to pay him \$150,000 in settlement of all claims resulting from the investigation and prosecution and appropriates \$150,000 from the General Fund.

Enacted law summary

Resolve 1997, chapter 69 requires the Governor to pay Robert O'Malley \$150,000 in settlement of all claims resulting from investigation and prosecution of charges against him.
