**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

LD 286 proposed to bring provisions that govern uniform crime reporting data collection by the State Police into compliance with federal law.

*Enacted law summary*

Public Law 1997, chapter 47 was enacted in response to the federal Violent Crime and Law Enforcement Act of 1994, which amended the Hate Crimes Statistics Act to include the collection of data using the Uniform Crime Reporting System about crimes that manifest evidence of prejudice based on disability. Public Law 1997, chapter 47 brings the Maine Revised Statutes, Title 25, section 1544, which governs uniform crime reporting data collection by the State Police, into compliance with the federal requirement.

**LD 291**                      **An Act Concerning Defendants' Ability to Attack Orders of Restitution**                      **PUBLIC 30**

<u>Sponsor(s)</u>		<u>Committee Report</u> OTP		<u>Amendments Adopted</u>
-------------------	--	--------------------------------	--	---------------------------

LD 291 proposed to build upon current case law that allows a court to satisfy itself as to a defendant's ability to pay a specific amount of restitution by relying upon the defendant's consent to pay that amount. The bill was proposed by the Criminal Law Advisory Commission.

*Enacted law summary*

Public Law 1997, chapter 30 builds upon current case law that allows a court to satisfy itself as to a defendant's ability to pay a specific amount of restitution by relying upon the defendant's consent to pay that amount. See generally, *State v. Dragon*, 521 A.2d 704 (Me. 1987); *State v. LaCase*, 512 A.2d 315-316 (Me. 1986). Public Law 1997, chapter 30 precludes a defendant under these circumstances from seeking thereafter to have that restitution order vacated as excessive.
