**Summary Of Legislation Before The Joint Standing Committees  
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

***Enacted law summary***

Public Law 1997, chapter 185 clarifies that the trial judge in a criminal case is not required to instruct the jury on all defenses generated by the evidence, irrespective of the wishes of the defendant. This change seeks to make clear that Title 17-A, section 101, subsection 1 is not properly a source of law respecting waiver decision, the proper source being instead the Supreme Judicial Court exercising its rule-making authority.

**LD 325**

**An Act to Improve Access to Enhanced 9-1-1 Emergency Records**

**ONTP**

<u>Sponsor(s)</u> JONES K		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 325 proposed to repeal current law making confidential any record, recording or information obtained by a public or private safety agency, including a public safety answering point, for the purpose of providing emergency 9-1-1 services. See also LD 976, Public Law 1997, chapter 291.

**LD 326**

**An Act to Streamline the Eviction Process**

**PUBLIC 151**

<u>Sponsor(s)</u> WHEELER E		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-190
--------------------------------	--	-----------------------------------	--	------------------------------------

LD 326 proposed to require the court to ensure that hearings for all forcible entry and detainer actions occur within 14 days after return of service and to make service of a writ of possession easier.

**Committee Amendment "A" (H-190)** proposed to require that the hearing be held within 10 days of the return of service, regardless of whether a recorded hearing has been requested. The amendment proposed to preserve the court's discretion to grant a continuance for good cause shown. The amendment proposed to make service of a writ of possession easier, but would have required good faith attempts to serve the writ in person on separate days.

***Enacted law summary***

Public Law 1997, chapter 151 requires the hearing in a forcible entry and detainer action to be held within 10 days of the return of service, regardless of whether a recorded hearing has been requested. The court retains its discretion to grant a continuance for good cause shown. The law also permits service of a writ of possession by first-class mail and by leaving a copy at the defendant's last known address, but only after at least three good faith attempts on three different days have been made to serve the defendant.
