FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Resolve, to Establish a Study Group to Assess the Needs of the Office of the State Fire Marshal and Ensure Prompt, Effective Response to the Public's Fire Safety Needs

RESOLVE 10

<u>Sponsor(s)</u> MCALEVEY AMERO	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-21
--	-----------------------------------	-----------------------------------

LD 359 proposed to establish a study group to review and consider improvements to the role of the Office of the State Fire Marshal.

Committee Amendment "A" (H-21) proposed to change the membership of the study group in 2 ways.

1. It proposed that one member be a certified firefighter, rather than a representative of a professional firefighters' union.
2. It proposed that the representative from the fire insurance industry be appointed by the Governor, rather than by the President of the Senate and the Speaker of the House.

This amendment also proposed to change the date that the study group would have to submit its report to the Joint Standing Committee on Criminal Justice from January 1, 1998 to March 1, 1998.

Finally, this amendment proposed to delete the provision authorizing the study group to seek, accept and expend private or public funds, and it proposed to add a fiscal note to the bill.
