Summary Of Legislation Before The Joint Standing Committees May 1998

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

If the commissioners changed the committee's budget, the budget committee would have been able to override the change by a majority vote of the full committee. The amendment also proposed to require notice of budget committee public hearings and all work sessions, workshops and other meetings on the budget be published 14 days before the hearing and that notice be sent by mail to the municipal clerks, county commissioners and legislative delegation of York County 14 days before the hearing. The amendment also would have added a mandate preamble.
