**Summary Of Legislation Before The Joint Standing Committees  
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

BENOIT GOOLEY	ONTP	

LD 386 proposed to amend the law governing the procedures for enforcement of money judgments. It would have required the court to set an amount of bail for a debtor whom the sheriff has arrested under a civil order of arrest and delivered to the District Court for disclosure or a contempt hearing. The bill proposed to require that the debtor post bail and not be released on personal recognizance.

**LD 397**

**An Act to Change the Burden of Proof for Timber Trespass and Timber Theft Violations**

**PUBLIC 152**

LONGLEY	OTP-AM	S-103

LD 397 proposed to eliminate a culpable state of mind as an element of the civil violation of unlawful cutting of trees. The bill also proposed to eliminate boundary disputes as an exemption for cutting someone else's trees, and to require landowner permission to cut trees except in specific circumstances.

**Committee Amendment "A" (S-103)** proposed to authorize courts to order restitution for unlawful timber harvesting and to provide for a form of accomplice liability for timber theft.

***Enacted law summary***

Public Law 1997, chapter 152 makes the civil violation of unlawfully cutting someone else's trees easier to prosecute. It removes the culpable state of mind element, and deletes the exemption for boundary disputes. It authorizes courts to order restitution to the owner of the trees. It also authorizes prosecution of persons who are legally responsible for the unlawful cutting, even though they did not participate in the actual cutting.
