ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 358

An Act to Restore State Funding for Mediation Services Provided by the Maine Labor Relations Board

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAMSON TREAT	OTP-AM MAJ ONTP MIN	

LD 358 proposed to restore state funding for the first three days of mediation services provided by the State under the municipal public employees labor relations laws.

Committee Amendment "A" (H-150) which is the majority report of the committee proposed to restore the mechanism, which was stricken in the original bill, by which the Executive Director of the Maine Labor Relations Board collects costs from the parties before authorizing services to be rendered. This amendment was not adopted.

LD 373

Resolve, to Exempt Matthew Scott from Maine State Retirement System Restrictions on Income Earned as Deputy Commissioner of Inland Fisheries and Wildlife

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CAREY	ONTP MAJ OTP MIN	

LD 373 would have exempted Matthew Scott from the current law governing return by a retiree to covered state service. The salary of Mr. Scott's new position, Deputy Commission in the Department of Inland Fisheries and Wildlife, exceeds the earnings limit established in law for a retiree who returns to service. Under the proposed law he could continue to work and draw a salary but would have to stop drawing his retirement benefits and would have to rejoin the retirement system.

LD 389

An Act to Exclude from the Definition of "Employment" Services Provided by Lessees of Taxicabs

PUBLIC 349

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MURRAY	OTP-AM	S-237

LD 389 proposed to exclude from the definition of employment for unemployment benefits and tax purposes those services performed by lessees of taxicabs.

Committee Amendment "A" (S-237) proposed to clarify the intent of the original bill by specifying that lessees of taxicabs are excluded from the definition of employment for unemployment compensation purposes only if their employment is not subject to federal unemployment tax. The amendment also proposed to clarify that an exemption from unemployment compensation has no bearing on the question of whether a taxicab lessee is an independent contractor for workers' compensation purposes.

Enacted law summary

Public Law 1997, chapter 349 provides that lessees of taxicabs are excluded from the definition of employment for unemployment compensation purposes if their employment is not subject to federal unemployment tax. The law also specifies that an exemption from unemployment compensation has no bearing on the question of whether a taxicab lessee is an independent contractor for workers' compensation purposes.

LD 402 An Act to Amend the Family Medical Leave Laws PUBLIC 546

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LAFOUNTAIN	OTP-AM	S-379 MICHAUD S-88

LD 402 proposed to make certain definitions in the State's family medical leave laws conform to the definitions in the federal Family and Medical Leave Act of 1993. This bill also proposed to allow the award of attorney's fees, expert witness fees and other costs of a civil action to enforce the law.

Committee Amendment "A" (S-88) proposed to delete the language in the bill that would give the court discretion to award reasonable attorney's fees, reasonable expert witness fees and other costs of the civil action. It also proposed to add an appropriation section and a fiscal note to the bill to reflect the costs of updating the employment law notice published and distributed by the Department of Labor.

Senate Amendment "A" to Committee Amendment "A" (S-379) proposed that the Department of Labor would not have to incur the costs of updating and distributing the employment law notice until the current supply is depleted.

Enacted law summary

Public Law 1997, chapter 546 makes certain definitions in the State's family medical leave laws conform to the definitions in the federal Family and Medical Leave Act of 1993. The law also provides that the Department of Labor need not update and distribute the employment law notice until the current supplies of the posters have been depleted.

**LD 411 An Act to Bring Certain State Retirement Laws into Compliance PUBLIC 192
with Federal Laws EMERGENCY**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LONGLEY	OTP-AM	S-134

LD 411 proposed required that assets under a deferred compensation plan offered to public employers be held in trust for the exclusive benefit of plan participants and their beneficiaries. This change makes state law consistent with federal law changes enacted as part of the Federal Small Business Protection Act of 1996. See also LD 937 referred to the State and Local Government Committee which proposed changes in the State's deferred compensation plan.
