**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 388 proposed to require the Department of Human Services, as guardian, to pay certain nursing facility bills received after a state ward's resources are depleted and before the time the individual is eligible for Medicaid or any other 3rd-party payment source.

LD 391 **An Act to Allow Volunteer Work in a State Licensed Day-care Facility to Fulfill Requirements of the ASPIRE-JOB Program and to Establish a Statewide Toll-free Telephone Line for Reporting Welfare Fraud** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MITCHELL B LOVETT	ONTP	

LD 391 proposed to direct the Department of Human Services to establish a pilot program under which an individual may satisfy the 20-hour per week requirement of the ASPIRE-JOBS Program by volunteering in a state licensed day-care facility.

The bill would have required the Commissioner of Human Services to establish a toll-free telephone line for use by the public in reporting suspected fraud in the Temporary Assistance to Needy Families program.

LD 394 **An Act to Preserve Senior Volunteerism** **INDEF PP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
PENDLETON P CAMPBELL	OTP-AM	

LD 394 proposed to require the Department of Human Services to fund community-based senior volunteer programs that received funding from the Bureau of Elder and Adult Services during fiscal year 1995-96 in an amount at least equal to each agency's fiscal year 1995-96 allocation.

Committee Amendment "A" (S-61) proposed to delete the statutory language guaranteeing a funding methodology for senior volunteer programs for fiscal year 1997-98 and subsequent years and provided an appropriation for fiscal years 1997-98 and 1998-99 for \$5,700 each year for senior volunteer programs. It would have added a fiscal note to the bill.

See Public Law 1997, chapter 24, which provides funding as proposed in the bill.
