**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

OTP-AMAmendments Adopted  
S-175

LD 404 proposed to define an antique snowmobile as a snowmobile more than 25 years old that is primarily used in exhibition, parades and other events of interest to the public and not used primarily for recreational or commercial purposes, to create a one-time registration fee of \$30 for antique snowmobiles and to allow that registration to be transferred to a new owner for a transfer fee of \$10.

The bill also proposed to exempt owners of antique snowmobiles from the requirement that they display their registration numbers on their snowmobile and restrict the reciprocity provisions of law pertaining to snowmobiles to states, provinces and countries sharing a common border with Maine.

**Committee Amendment "A" (S-175)** proposed to clarify that the antique snowmobile registration applies only to residents and to make the \$30 antique snowmobile registration fee proposed in the bill valid until the ownership of the snowmobile is transferred to another person. Upon the transfer of ownership, the new owner may reregister the snowmobile as an antique snowmobile by paying another \$30 antique snowmobile registration fee.

The amendment also proposed to allocate the antique snowmobile registration fee in the same manner as regular resident snowmobile registration fees are allocated and to add a fiscal note to the bill.

***Enacted law summary***

Public Law 1997, chapter 227 allows a resident of the State to register a snowmobile that is more than 25 years old as an antique snowmobile for a one-time fee of \$30. An antique snowmobile registration allows that machine to be used primarily for exhibition, parades and other events of interest to the public and not for recreational or commercial purposes. This law also exempts owners of antique snowmobiles from the requirement that they display their registration numbers on their snowmobile and restrict the reciprocity provisions of law pertaining to snowmobiles to states, provinces and countries sharing a common border with Maine.
