**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

**Enacted law summary**

Public Law 1997, chapter 160 extends the tuition waiver benefits currently available to the children of firefighters and law enforcement officers who are killed in the line of duty to the spouses of fallen firefighters and law enforcement officers. The law also expands the definition of "law enforcement officer" to include game wardens, fire marshals, liquor enforcement officers and marine patrol officers.

**LD 428**                      **An Act to Clarify Tuition Rates for Middle School Students**                      **ONTP**

<u>Sponsor(s)</u> NUTTING		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 428 proposed to extend the provisions that cover secondary school attendance in another administrative unit and tuition for that attendance to middle school students. In doing so, the bill would have required that the maximum allowable tuition charge for public middle school attendance would be no higher than the state average per pupil middle student cost.

**LD 432**                      **An Act to Allow Municipalities to Set Tuition Rates for Nonresident Students**                      **ONTP**

<u>Sponsor(s)</u> GIERINGER		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
--------------------------------	--	---------------------------------	--	---------------------------

LD 432 proposed to allow school units to establish tuition rates for nonresident students based on actual cost, but not exceeding that cost. It would have eliminated the current maximum allowable tuition based on the state average per public secondary school student.

**LD 463**                      **RESOLUTION, Proposing an Amendment to the Constitution of Maine to Ensure the Rights of Parents to Direct the Upbringing and Education of Their Children**                      **DIED IN CONCURRENCE**

<u>Sponsor(s)</u> KASPRZAK HALL		<u>Committee Report</u> ONTP      MAJ OTP      MIN		<u>Amendments Adopted</u>
---------------------------------------	--	--	--	---------------------------

LD 463 proposed an amendment to the Constitution of Maine to declare that parental rights to direct the upbringing and education of their children could not have been infringed and would have further authorized the Legislature to make laws that would have enforced this constitutional provision.
