**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

***Enacted law summary***

Public Law 1997, chapter 350 requires a juvenile caseworker to issue and would allow that caseworker to serve a juvenile summons, if the caseworker decided to request that the prosecuting attorney file a petition against a juvenile. If the caseworker does not serve the summons, the caseworker must request a law enforcement officer to make service. The summons must include information required in a summons for an adult crime under Title 17-A, section 15-A. Service must be made as required by Rule 4(c)(4) of the Maine Rules of Criminal Procedure.

<u>Sponsor(s)</u> BUNKER		<u>Committee Report</u>		<u>Amendments Adopted</u>

LD 515 fixes the rate of reimbursement to counties for prisoners at \$83.75 per prisoner per day. The bill specifies that a county must petition the Legislature for any desired change in that rate.

The bill was carried over to the Second Regular Session of the 118th Legislature.

**LD 521**                      **An Act to Encourage Collaboration and Cooperation among Agencies in the Interests of Juveniles within the Juvenile Court System**                      **PUBLIC 278**

<u>Sponsor(s)</u> O'BRIEN		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-379
------------------------------	--	-----------------------------------	--	------------------------------------

LD 521 proposed to permit distribution of confidential information regarding juvenile offenders by and to juvenile courts, law enforcement agencies, schools and health and welfare agencies to create an individualized plan for a juvenile's rehabilitation.

**Committee Amendment "A" (H-379)** replaced the bill. The amendment proposed that confidential information regarding a juvenile be distributed only if the juvenile is adjudicated of a juvenile crime. The amendment also proposed that for educational agencies, only the superintendent of the juvenile's school and the superintendent's designees could receive the confidential information.
