**FIRST REGULAR AND FIRST SPECIAL SESSIONS**

**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Amendments Adopted

The Maine Rules of Criminal Procedure require a District Court judge or a justice of the peace to determine, within 48 hours of an arrest, whether there is probable cause to hold the person who has been arrested. LD 523 proposed to require the arresting officer to give the holding facility a written promise that the officer would furnish the facility with a copy of the document endorsed by the District Court judge or justice of the peace with the determination. The bill would have permitted the holding facility to release the person arrested if the officer failed to provide a copy of the document within 24 hours of the determination.

**An Act to Increase the County Share and Change the Name of the Government Operations Surcharge Fund**

Committee Report  
ONTP

Amendments Adopted

LD 538 proposed to change the name of the Government Operations Surcharge Fund to the Jail Operations Surcharge Fund, as it was named before 1991.

Currently, 2% of the total funds collected through fines and the surcharge are paid out of the fund to the counties each month. This bill proposed to increase the percentage of total collections that was returned to the counties by 1% each year, beginning July 1, 1998, until all the money collected through the surcharge was returned to the counties.

LD 538 proposed to change the method of determining the counties' shares of the fund. Currently, 1991 is used as the base year and each county receives the same percentage of the fund as it received in 1991. This bill would have based the distribution of current funds on the percentage of court collections received by each county in the previous year.
