**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
LIBBY MCALEVEY	ONTP	

Current law requires that owners and operators of motor vehicles maintain automobile liability insurance or other proof of financial responsibility. LD 622 proposed to amend the motor vehicle laws regarding auto insurance to require that, in addition to the existing requirement of a 10-day notice before cancellation of a policy, insurance companies provide the Secretary of State with a 10-day notice before termination of a policy occurs by expiration. The requirement in this bill applies to policies that must be filed and certified as proof of financial responsibility with the Secretary of State under the Maine Revised Statutes, Title 29-A, section 1602. The penalties for failure to provide proof of financial responsibility within 30 days of a request include suspension of the person's license, of the registration of the vehicle for which proof of insurance was not provided and of the right to apply for a license or registration. An insurance company that fails to provide the required notice is subject to a civil forfeiture of \$1,000.
