**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

whereby the minor may seek court approval for the proposed abortion and establishes the procedures for judicial review and appeals.

**Committee Amendment "A" (H-166)** (Minority Report) proposed that at least one of the following requirements be met before an abortion may be performed or induced on a pregnant minor:

1. The physician must, at least 24 hours before performing or inducing an abortion, notify the pregnant minor's parent by telephone or in person that the minor is pregnant and wants an abortion. An adult must accompany the minor to the physician's office at the time of the abortion;
2. The pregnant minor alleges abuse or neglect such that notifying the minor's parent is not in the minor's best interest. The minor must then be accompanied by an adult counselor to the physician's office; or
3. The minor has been authorized by the District Court or the Probate Court to consent to the abortion without parental notification. An adult must accompany the minor to the physician's office at the time of the abortion.

The amendment proposed to retain most of the judicial bypass option proposed in the original bill, except for the allegation of abuse.
