ONE HUNDRED EIGHTEENTH LEGISLATURE FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 745 An Act to Amend the Maine Consumer Credit Code PUBLIC 94

Sponsor(s)	Committee Report	Amendments Adopted
MAYO	OTP-AM	H-105 MAYO
ABROMSON		H-90

LD 745 proposed to remove the limits on late fees that retailers may charge customers to whom they extend credit. The bill also proposed to allow creditors to charge a single late fee when they change late fees on all future payments that are due, rather than having to charge the old fee for past due payments and the newer fee for new balances.

Committee Amendment "A" (H-90) proposed to strike section 2 of the bill and insert a new section that authorizes the refinancing of the balloon payment portion of a consumer loan if the transaction is made for a term of not less than four years and if the contract evidencing the obligation gives the consumer the right to refinance the final payment on terms then offered by the creditor if the consumer satisfies reasonable credit standards and the property satisfies reasonable loan to value standards. It also adds a fiscal note to the bill.

House Amendment "A" to Committee Amendment "A" (H-105) proposed to change a reference from "borrower" to "consumer."

Enacted law summary

Public Law 1997, chapter 94 removes the limits on late fees that retailers may charge customers to whom the retailers extend credit and allows creditors to charge a single late fee when they charge late fees on all future payments that are due, rather than having to charge the old fee for past due payments and the newer fee for balances. The law also authorizes the refinancing of the balloon payment portion of a consumer loan if the transaction is made for a term of not less than four years and if the contract evidencing the obligation gives the consumer the right to refinance the final payment on terms then offered by the creditor if the consumer satisfies reasonable credit standards and the property satisfies reasonable loan to value standards.
