**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Counseling by a Primary Care Physician**

**ONTP**

<u>Sponsor(s)</u> CHARTRAND KILKELLY	<u>Committee Report</u> ONTP	<u>Amendments Adopted</u>
--	---------------------------------	---------------------------

LD 766 proposed to allow primary care physicians to provide office-based mental health services to enrollees in managed care plans if the enrollee chooses to receive counseling from the primary care physician. The bill also proposed to require the managed care plan to reimburse a primary care physician for mental health services at the same level of reimbursement as a mental health provider credentialed by the managed care plan.

**LD 785**

**An Act to Require Certain Practices by Managed Care Plans**

**ONTP**

<u>Sponsor(s)</u> AHEARNE	<u>Committee Report</u> ONTP	<u>Amendments Adopted</u>
------------------------------	---------------------------------	---------------------------

LD 785 proposed to require managed care plan policies and contracts offered by nonprofit hospital and medical service organizations, insurers and health maintenance organizations to provide in-patient hospital coverage following mastectomy surgery.

The bill also proposed to prohibit nonprofit hospital and medical service organizations, insurers and health maintenance organizations offering managed care plans from providing payments or other financial incentives to participating providers for not referring patients to specialists and for not disclosing the seriousness of a patient's condition.

See related bill LD 1556.

**LD 806**

**An Act to Include Health Maintenance Organizations in the Bureau  
of Insurance's Regulatory Assessment**

**PUBLIC 79**

<u>Sponsor(s)</u> LAFOUNTAIN	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> S-55
---------------------------------	-----------------------------------	-----------------------------------

LD 806 proposed to apply the current assessment for the regulatory expenses of the Maine Bureau of Insurance upon insurance companies to health maintenance organizations as well. The current assessment on insurers will not be increased, but will be apportioned equitably between insurance companies and health maintenance organizations.

**Committee Amendment "A" (S-55)** proposed to clarify that the direct gross premium from the health maintenance organization division or line of business of a nonprofit hospital, medical or health care service organization is not included in the assessment base used in calculating the assessment upon a nonprofit hospital, medical or health care service organization for the expenses of maintaining the Bureau of Insurance.

The amendment also adds a fiscal note to the bill.
