ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 768 proposed to clarify the right of a real estate broker to a lien on land, improvements or structures to secure payment for services rendered in selling or leasing the land, improvements or structures.

Committee Amendment "A" (H-323) was the majority report of the committee. It proposed to strike reference to real estate broker action associated with leasing any interest in land, improvements or structures as subject to right of placing a lien. This proposal would be consistent with the intent of the original law passed in 1993 to include real estate brokers in this lien provision.

Enacted law summary

Public Law 1997, chapter 264 clarifies the right of a real estate broker to a lien on land, improvements or structures to secure payment for services rendered in selling the land, improvements or structures.

LD 841 proposed to enable Maine dentists to establish a professional review committee to develop and implement a comprehensive therapeutic program to address the needs of dentists who have or who may develop impairments such as alcohol abuse, psychoactive drug abuse or other dependency interfering with their practices. This bill would also amend the Dental Practice Act to allow the Board of Dental Examiners to issue limited licenses to certain instructors in board-approved continuing education programs within the State. Instruction in specialized areas may require the practice of dentistry, as defined by the Maine Revised Statutes, Title 32, section 1081, by persons who are not licensed in Maine but whose credentials otherwise make them uniquely qualified to educate Maine practitioners in certain techniques.

Committee Amendment "A" (H-127) proposed to clarify that the professional review committee would be made up of either physicians, dentists or both as circumstances warrant. This amendment proposed to add language to include all professionals licensed with the Board of Dental Examiners in provisions enabling affected individuals to obtain help with a drug or alcohol dependency issue.

Enacted law summary

Public Law 1997, chapter 107 enables Maine dentists to establish a professional review committee to develop and implement a comprehensive therapeutic program to address the needs of all professionals licensed with the Board of
