ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 794 proposed to prohibit the Treasurer of State from accepting gifts or soliciting campaign contributions from any person or organization with whom the Treasurer of State conducts business as part of the duties of the office.

Committee Amendment "A" (S-221) replaced the bill. It would have provided that the Treasurer of State may not accept gifts or solicit campaign contributions from a person who provides investment services of a type that the Treasurer of State might be expected to procure for the State as part of the duties of the office of the Treasurer of State.

Committee Amendment "B" (S-222), a minority report of the committee, proposed to extend the same prohibition against accepting gifts or soliciting campaign contributions from certain persons to the Secretary of State, Attorney General and State Auditor.
