Summary Of Legislation Before The Joint Standing Committees August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. Committee Report

Amendments Adopted S-55

LD 806 proposed to apply the current assessment for the regulatory expenses of the Maine Bureau of Insurance upon insurance companies to health maintenance organizations as well. The current assessment on insurers will not be increased, but will be apportioned equitably between insurance companies and health maintenance organizations.

Committee Amendment "A" (S-55) proposed to clarify that the direct gross premium from the health maintenance organization division or line of business of a nonprofit hospital, medical or health care service organization is not included in the assessment base used in calculating the assessment upon a nonprofit hospital, medical or health care service organization for the expenses of maintaining the Bureau of Insurance.

The amendment also adds a fiscal note to the bill.
