ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

and the court would have been required to vacate the order if it had found that the department did not file charges within 15 days of issuance of the removal order. The court would have been required to issue a new order to return the child to the custodian's custody.

LD 787 **Resolve, to Establish the Task Force on Youth and Families** **INDEF PP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BRENNAN DAGGETT	OTP-AM	

LD 787 proposed to establish a procedure for identifying children in need of supervision and addressing their needs.

It would have created the Maine Commission for Youth and Families and given authority to the Department of Mental Health, Mental Retardation and Substance Abuse Services to implement a range of services for children in need of supervision. It would have required further study to be conducted by the Maine Commission for Youth and Families and directed the commission to evaluate the efficacy of the current youth and family service system in Maine. It would have provided for secure facilities for children in need of supervision who do not comply with valid court orders and required the Department of Mental Health, Mental Retardation and Substance Abuse Services to develop a capacity to provide facilities within the State for children who require long-term care for mental illness and who have additional conditions that make the use of secure facilities appropriate in providing necessary treatment and care.

Committee Amendment "A" (H-173) proposed to establish the Task Force on Youth and Families to study the needs of youths who are at risk and their families. The task force would have been required to report to the Joint Standing Committee on Health and Human Services by December 1, 1997.

LD 790 **An Act to Provide Health Insurance Coverage to Children in Maine** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
WINN	ONTP	

LD 790 proposed to extend Medicaid coverage to children under 19 years of age whose family income is below 150% of the nonfarm income poverty line, with a system of copayments and a sliding scale for services if the percentage is between 150% and 100%. It would have provided that all Medicaid to children is through managed care. This Medicaid expansion would have been funded through a .5 mill increase in the cigarette tax.
