ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 782 proposed that a state dam inspector be available to provide technical assistance to the owners, lessees or persons in control of a dam or to a municipality in which a dam is located if the Director of the Maine Emergency Management Agency orders the owners, lessees or persons in control of the dam to correct unsafe conditions.

Committee Amendment "A" (H-172) removed funding for fiscal year 1997-98 and retained the funding of a Dam Inspector position for fiscal year 1998-99. The amendment also added an effective date and a fiscal note to the bill.

Senate Amendment "A" (S-353) delayed the effective date and reduced the General Fund Appropriation.
