**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Enacted law summary

Constitutional Resolution 1997, chapter 1 proposes an amendment to the Constitution of Maine to remove language providing that persons under guardianship for reasons of mental illness are disqualified from voting and requires that the proposed change be put out to referendum at the next statewide election.

BUTLAND BARTH	ONTP	

LD 867 proposed to establish the same party enrollment qualifications for replacement candidates to certain state offices as exist for candidates for primary nomination under the Maine Revised Statutes, Title 21-A, section 334. Under this bill, a replacement nominee would have to be enrolled in the same political party as the original candidate by March 15th.

LD 881 An Act to Impose Liability Upon Persons Who Entrust Motor Vehicles to Unsafe Drivers ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MILLS	ONTP	

LD 881 proposed to require a liquor licensee to carry a liquor liability insurance policy with minimum coverage of \$300,000 per occurrence; provide civil liability for a person who knowingly or with reason to know allowed an unlicensed driver to drive that person's vehicle; provide Class E criminal liability for a person having control of a motor vehicle who permitted another person to operate the vehicle knowing or having reason to know that the person was under the influence of alcohol or has no license or privilege to operate the motor vehicle; change the liquor liability law cap from \$250,000 plus medical expenses to \$250,000 plus all economic losses including medical expenses, loss of income or earning capacity and loss due to death and burial costs. The bill also would have divided the damages payable by the server and the intoxicated person into two parts and provided that for the first half of damages, both parties are jointly and severally liable; for the other half, the damages are divided based on percentage of fault. Finally, the bill would have altered the notice requirement.
