Summary Of Legislation Before The Joint Standing Committees
May 1998

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. Maine to Establish a Reserve Fund****ONTP**

LD 890 proposed to establish a General Fund reserve fund. The fund would have been used to cover actual or projected General Fund revenue shortfalls in any state fiscal year; for prepayment of outstanding General Fund bonds; for prepayment of any unfunded liabilities of the Maine State Retirement System related to state government employees or teachers; and for major construction projects exceeding \$1,000,000.

LD 1540**An Act to Establish a State Disaster Relief Trust Fund****DIED BETWEEN
BODIES**

KERR	OTP-AM MAJ	
	ONTP MIN	

LD 1540 proposed to establish a disaster relief trust fund to be administered by the Maine Emergency Management Agency to match federal disaster assistance funds and provide other local disaster assistance. The trust fund would have been funded by a surcharge on homeowners' and business property insurance policies.

Committee Amendment "A" (H-846) proposed to strike those provisions of the bill that would have capitalized the Disaster Relief Trust Fund by imposing a surcharge on homeowners' and business property insurance policies. In its place are provisions that would have allowed the fund to receive General Fund appropriations, transfers from the General Fund at the end of a fiscal year in an amount not to exceed \$2,000,000 in any fiscal year, any federal money deposited in the fund and all interest earned on the fund's balance.

The amendment authorized the Disaster Relief Trust Fund to be the first resource utilized when the Maine Revised Statutes, Title 37-B, section 742, regarding emergency proclamation or Title 37-B, section 744, regarding disaster relief, is invoked by the Governor.

The amendment also added a fiscal note to the bill.
