**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

LD 885

An Act to Amend the Qualifications of the Administrator of the Maine Veterans' Homes

PUBLIC 147

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
BENNETT GAGNE	OTP-AM	S-97

LD 885 proposed to expand the pool of applicants qualified to administer the Maine Veterans' Homes' five nursing home facilities by eliminating the requirement that the administrator of the Maine Veterans' Homes be a war veteran.

Committee Amendment "A" (S-97) removed the qualification that would have allowed any eligible individual to be an administrator. The amendment reinstated the language to clarify that the administrator must be a veteran, although not a "war veteran," which would expand the pool of applicants and still retain the veteran requirement.

Enacted law summary

Public Law 1997, chapter 147 provides that an administrator of the Maine Veterans' Homes must be a veteran, not a "war veteran" as previously required. This will expand the pool of applicants, while still maintaining the veteran requirement.
