**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Committee Report

Amendments Adopted

LD 915 makes the following changes to the laws governing criminal procedure as it relates to juveniles.

1. It establishes, as a purpose of the Maine Juvenile Code, the provision of consequences, including those of a punitive nature, for repeated criminal behavior.
2. Current law defines a juvenile as one who has not yet attained 18 years of age. This bill changes the definition of juvenile to one who has not yet attained 17 years of age.
3. It eliminates the need for a bind-over hearing unless the defendant requests one.
4. It amends the definition of "juvenile crime."
5. It requires immediate notification of the juvenile caseworker if the law enforcement officer believes immediate secure detention is required.
6. Current law limits the questioning of an arrested juvenile by a law enforcement officer. This bill removes those limitations.
7. It requires a juvenile caseworker to issue a summons to the juvenile to appear in court at the time the caseworker requests that a petition be filed.
8. It authorizes the prosecuting attorney to file a petition at any time more than 30 days after the juvenile caseworker has been given notice.
9. It amends the provisions governing issuance, contents and service of summonses.
10. It provides that the general public may not be excluded from any proceeding regarding a juvenile who at the time of the commission of the juvenile crime was 16 years of age or older.
11. It allows distribution of information contained in juvenile records by one criminal justice agency to another if the person concerned is least 16 years of age at the time the crime is committed.
12. It increases from 30 to 90 days the length of time the court may commit a juvenile to the Maine Youth Center.

LD 915 was carried over to the Second Regular Session of the 118th Legislature.
