We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Joint Standing Committee on Agriculture, Conservation and Forestry

LD 253 **An Act Concerning Entry to Investigate Private Property for the Purpose of Forestry Examinations** **PUBLIC 694**

<u>Sponsor(s)</u> SNOWE-MELLO BENNETT		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-975
---	--	-----------------------------------	--	------------------------------------

LD 253 proposed requiring that agents of the Department of Conservation, Bureau of Forestry obtain a search warrant prior to entering onto private land to investigate possible forest practices violations, unless the agent has the consent of the landowner. In the second session, this bill was rereferred to the Joint Standing Committee on Judiciary. (See bill summaries for that committee).

LD 289 **Resolve, to Establish the Committee to Study Maine Forest Practices** **ONTP**

<u>Sponsor(s)</u> DEXTER CASSIDY		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
--	--	---------------------------------	--	---------------------------

LD 289 proposed establishing the Committee to Study Maine's Forest Practices. This resolve directed the committee to review forest practices in Maine, to examine forest practices in other states, to analyze trends in sustainability and the structure of the forest and to develop a new forest policy for the State using, as a baseline, Public Law 1989, chapter 555, "An Act to Implement Sound Forest Practices".

LD 968 **An Act to Require Recommended Silvicultural Stocking Standards on Land Ownerships Enrolled under the Tree Growth Tax Laws** **ONTP**

<u>Sponsor(s)</u> VOLENIK		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 968 proposed requiring land enrolled under Tree Growth Tax Law to meet certain established stocking standards for growing stock remaining on a site after a harvest. It proposed requiring the Commissioner of Conservation to adopt major substantive rules to establish the standards and specifying that the standards use basal area as a measure of stocking. It proposed provisions for the Commissioner of Conservation to grant a variance when compliance with the standards would cause unusual hardship. It proposed subjecting a landowner who failed to comply with stocking standards to fines and penalties and making that landowner's land ineligible for enrollment under Tree Growth.

LD 1200 **An Act to Reform the Maine Tree Growth Tax Law** **ONTP**
