**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**LD 1101****An Act to Amend the Maine Workers' Compensation Act of 1992 as It Relates to Payment of Benefits Pending Appeal****ONTP**Sponsor(s)  
CLUKEYCommittee Report  
ONTPAmendments Adopted

LD 1101 proposed that if the Workers' Compensation Board, after a review of incapacity, issues an order or decision suspending or reducing compensation to an employee, compensation must be suspended or reduced from the date of the board's order or decision. Under current law, benefits may not be reduced while an appeal of the board's order is pending before the Law Court.

**LD 1110****An Act to Decrease the Threshold Amount Required for Receiving Unemployment****ONTP**Sponsor(s)  
RUHLIN  
HATCHCommittee Report  
ONTPAmendments Adopted

LD 1110 proposed to reduce the earnings threshold used to determine eligibility to collect unemployment compensation. Under the current law, a person may not collect unemployment compensation benefits unless the person has earned a minimum amount determined through the use of a formula. Using the formula, currently a person is eligible for benefits if the person has earned at least \$873.46 in the last two quarters and a total of \$2,620.38 over the first four of the last five completed calendar quarters of the period used to calculate the person's eligibility. This bill proposed to reduce the threshold amount by 50%, so that a person would need to earn a minimum of \$1,310.19 to be eligible for unemployment compensation benefits. The issue presented by this bill will be studied by the commission created in LD 332.
