**FIRST REGULAR AND FIRST SPECIAL SESSIONS**

**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

**LD 1124**                      **Resolve, Requiring the Department of Education to Replace the Building Code for Schools**                      **ONTP**

<u>Sponsor(s)</u> PLOWMAN		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
------------------------------	--	---------------------------------	--	---------------------------

LD 1124 proposed that the Department of Education be required to replace the building code, known as "BOCA," that currently applies to school buildings with a safe, secure, reliable building code that is a recognized industry standard but would be less expensive to school districts.

**LD 1141**                      **Resolve, Regarding School Construction and Renovation Projects**                      **ONTP**

<u>Sponsor(s)</u> THOMPSON BENNETT		<u>Committee Report</u> ONTP		<u>Amendments Adopted</u>
--	--	---------------------------------	--	---------------------------

LD 1141 proposed that any school administrative unit already placed on the State Board of Education's protected list for school construction project is not subject to the newly adopted renovation policy.

**LD 1144**                      **An Act Pertaining to Parental Access to School Records**                      **PUBLIC 415**

<u>Sponsor(s)</u> LANE		<u>Committee Report</u> OTP-AM		<u>Amendments Adopted</u> H-670
---------------------------	--	-----------------------------------	--	------------------------------------

LD 1144 proposed that a school unit would be required to provide written notification upon request to a parent of all school activities and programs that require or include parental participation, involvement, notification or awareness. It would further have required school units to make available to parents all records relating to their child's education and school activities, including curriculum, standardized tests and results and medical history. The provisions of this bill would not have applied to a parent denied parental rights and responsibilities in a court order.

**Committee Amendment "A" (H-670)** proposed to replace the original bill and would have provided for notification to a parent of all school activities and programs for which parental notification or involvement may be in the best interest of the student, regardless of whether or not the student resides with the parent. The amendment would retain the exemption in the original bill that does not allow a parent who has been denied parental rights by court order access to school activities and programs.

*Enacted law summary*

Public Law 1997, chapter 415 provides for notification to a parent of all school activities and programs for which parental notification or involvement may be in the best interest of the student, regardless of whether or not the student resides with the parent. The law does not apply to a parent denied parental rights and responsibilities in a court order.
