ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

An Act to Amend Coded Licenses

PUBLIC 318

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CAMERON	OTP-AM	H-262

In the Second Regular Session of the 117th Legislature, the Legislature increased from six to 10 the number of years that a driver's license issued to a person who is convicted of operating under the influence must be coded. LD 1182 proposed to specify that the increase in the number of years that a license must be coded applies only to persons convicted on or after July 1, 1996, which was the effective date of the change in the law. The license of a person convicted prior to July 1, 1996 would need to be coded for six years. This bill would have applied retroactively to July 1, 1996.
