**Summary Of Legislation Before The Joint Standing Committees  
May 1998**

We are pleased to provide this summary of bills that were considered by the Joint Standing Committees of the Maine Legislature. The document is a compilation of bill summaries which describe each bill and relevant amendments, as well as the final action taken. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**Enacted law summary**

Public Law 1997, chapter 679 authorizes the issuance of lifetime fishing and hunting licenses beginning in the year 2000 to residents from zero to 5 years of age and to residents 65 years of age or older.

Money from the sale of these licenses is dedicated to the Lifetime License Fund, created in the Department of Inland Fisheries and Wildlife, except that the commissioner may withhold funds from deposit in the account as needed to avoid a loss in license revenue. The fund is administered by the Treasurer of State, who is directed to contract with investment firms as necessary to manage the fund for growth and income over the long term. The department will receive no revenue from the fund until the year 2010, at which time the department will begin receiving annual payments from the fund in an amount equal to 5 percent of the fund principal. All funds received by the department from the fund are subject to allocation by the Legislature.
