ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

<i>CON RES XXX</i>	<i>Chapter # of Constitutional Resolution passed by both Houses</i>

LD 1152 proposed to allow a joint standing committee of the Legislature to employ independent legal counsel, without approval of the Attorney General, if the Legislative Council approved the committee's proposal for employment.

Committee Amendment "A" (H-488) proposed to replace the bill. It would have authorized the Legislative Council to employ legal counsel for a legislative investigating committee, without approval of the Attorney General, if (1) the council believed that representing the committee would place the Department of the Attorney General in a conflict with its representation of persons or entities subject to investigation; and, (2) existing legislative staff could not provide the needed services.
