ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

Enacted law summary

Public Law 1997, chapter 267 prohibits an adult person in the custody or under the supervision of the Department of Corrections from harassing another person after having been forbidden to do so by the Commissioner of Corrections, the chief administrative officer of the facility or the regional correctional administrator.

LD 1223

An Act to Expand the Monitoring of the Conversations of Prisoners

PUBLIC 361

<u>Sponsor(s)</u> MURRAY POVICH	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> S-277
---------------------------------------	-----------------------------------	------------------------------------

LD 1223 proposed to allow the Department of Corrections to monitor the conversations of prisoners without requiring the department to have probable cause to believe that a party to a specific conversation was involved in a criminal offense.

Committee Amendment "A" (S-277) proposed to allow the counties, as well as the State, authority to monitor inmate conversations. The amendment proposed to require 3 types of notification to be used to inform inmates and recipients of telephone calls from inmates that their conversations are subject to monitoring.

Enacted law summary

Public Law 1997, chapter 361 allows counties and the State to monitor inmate conversations. County jails and state prisons must provide inmates with a written notification statement, a posted written notification next to every telephone and a recorded warning before every call that informs inmates and recipients of telephone calls from inmates that their conversations are subject to monitoring. Monitoring of all conversations of prisoners, except those involving attorney-client privilege, is permitted as in other jurisdictions in the United States.

LD 1250

An Act to Protect Private Communication

ONTP

<u>Sponsor(s)</u> VEDRAL	<u>Committee Report</u> ONTP	<u>Amendments Adopted</u>
-----------------------------	---------------------------------	---------------------------

LD 1250 proposed to expand the privacy laws by specifying that a person is guilty of violation of privacy if that person intentionally and without the consent of the person entitled to privacy in the communications listens to or records communications taking place over an electronic link. A violation of privacy would not occur if the person conducting the surveillance were doing so in the execution of a public duty in accordance with law.
