FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1226 proposed to require that survivor benefits be paid to a spouse, former spouse, child or other dependent of a State Police Officer when the spouse, etc. has been recognized by a domestic relations order as having a right to receive all or a portion of the benefits. This requirement would have applied to any current cases in which the issue of survivorship has not yet been litigated. Current law provides that the person married to the officer at the time of the officer's death is entitled to the benefits, regardless of whether the officer was married to and divorced from another person prior to the officer's death.

Committee Amendment "A" (S-238) proposed to replace the language in section 1 of the bill to clarify the intent of the bill. The amendment also made similar provisions for survivors of certain inland fisheries and wildlife officers and marine resources officers.

Enacted law summary

Public Law 1997, chapter 396 resolves a conflict in current law between the provision that defines “surviving spouse” for the purposes of distribution of survivor benefits on the death of certain state police, inland fisheries and wildlife and marine resources officers and the provisions that govern distribution of those benefits under a qualified domestic relations order. Chapter 396 provides that, when affected by a QDRO, the benefits that would otherwise go to a surviving spouse must be distributed in accordance with the QDRO. Passage of this chapter means that all retirees will be treated similarly with respect to the impact of QDRO in the distribution of post-retirement death benefits.

Public Law 1997, chapter 131 allows a minor to work up to 50 hours during any week that school is in session less than three days and in the first and last week of the school year. The term "in session" has the same meaning as used in the compulsory education requirements.
