ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

The amendment further proposed to establish that the board of trustees, in conjunction with the Maine Arts Commission, shall administer the professional development institute of the center so that professional development programs reach teachers in all parts of the State. This proposed amendment would also have added a fiscal note to the bill. The amendment was not adopted.

LD 1274 **An Act to Include Training in Cardiopulmonary Resuscitation As a High School Graduation Requirement** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MARVIN	ONTP	

LD 1274 proposed to make certification in cardiopulmonary resuscitation a requirement for a high school diploma.

LD 1281 **An Act to Require Individuals to Pass At Least 2 National Teachers Examination Core Battery Tests before Being Able to Be Recertified BY REQUEST** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
AHEARNE	ONTP	

LD 1281 proposed that teachers, teaching principals and curriculum coordinators seeking recertification be required to meet certain examination requirements within 10 years of the application for recertification. Applicants for recertification must receive passing scores in at least two of the three areas tested by the National Teachers Examination. The bill would have allowed temporary certification of teachers who have not met the examination requirements.

The bill further proposed that teachers seeking recertification to teach in a different subject area or grades, or seeking a different level of certification, be required to meet these certification requirements.

LD 1295 **An Act Relating to Applied Technology in Western Washington County** **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>

LD 1295 proposed to authorize the reorganization of an applied technology region for western Washington County. The reorganization would be authorized if a majority of the voters approve in a majority of the affected school units, rather than the two-thirds vote required under current law.
