**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

OTP-AM

Amendments Adopted  
S-268

LD 1332 proposed to allow a person to retain motor vehicle registration plates that are no longer valid if that person obtained from the Secretary of State stickers that the person must place on the registration plates indicating that the plates are no longer valid. Plates with these stickers affixed would be the property of the owner and not the property of the State. Plates with these stickers affixed could be sold or otherwise transferred by the owner.

**Committee Amendment "A" (S-268)** was the majority report of the committee and proposed to replace the bill. It proposed to make a discontinued general issue license plate the property of the person to whom the plate was issued. Under current law, all license plates are the property of the State. It also proposed to add a fiscal note.

***Enacted law summary***

Public Law 1997, chapter 520 makes a discontinued general issue license plate the property of the person to whom the plate was issued.
