FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

**An Act to Clarify the Jurisdiction of the Public Utilities Commission
over Telecommunication Utilities' Special Rate Contracts**

PUBLIC 275

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
CAREY JONES K	OTP-AM	S-130

LD 1294 proposed to modify the Public Utilities Commission’s regulation of telephone utilities. The Maine Revised Statutes, Title 35-A, section 9102 permits the Public Utilities Commission discretion in applying those provisions of Title 35-A, chapter 3 that govern the establishment and modification of telephone utilities' rate schedules. Telephone utilities also establish rates by contracts with customers. This bill proposed to grant the Public Utilities Commission similar discretion to modify the application of requirements regarding approval of those contracts.

Committee Amendment "A" (S-130) makes a technical correction to the bill.

Enacted law summary

Public Law 1997, chapter 275 grants the Public Utilities Commission discretion to modify the application of requirements regarding approval of telecommunications rate contracts.
