**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

PUBLIC 365

<u>Sponsor(s)</u> MARVIN MITCHELL B	<u>Committee Report</u> OTP-AM	<u>Amendments Adopted</u> H-585
---	-----------------------------------	------------------------------------

LD 1326 proposed to establish boards of directors for the Augusta Mental Health Institute and the Bangor Mental Health Institute to work with the institute councils and to oversee the institutes, including the institutes' systems for assessing and improving the quality of care, management of risk and liability and safety plans.

Committee Amendment "A" (H-585) proposed to replace the bill. It would clarify the duties of the 7 area quality improvement councils and add a fiscal note.
