ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

<i>CON RES XXX</i>	<i>Chapter # of Constitutional Resolution passed by both Houses</i>

LD 1361

An Act to Amend the Laws Concerning Commercial Tenancies

ONTP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DEXTER	ONTP	

LD 1361 proposed to allow a landlord of commercial property to exercise the right of reentry by self-help, such as changing locks or shutting off electricity, provided there is no breach of the peace and provided other conditions are met. It also would have established a separate process for forcible entry and detainer actions for commercial tenancies. It would have provided for agreements to arbitrate disputes between commercial landlords and tenants and it would have provided a presumption of abandonment of commercial premises when the tenant does not conduct business activity on the premises for a continuous period of two weeks.

LD 1376

An Act to Improve the State's Democracy by Increasing Access to the Ballot and Other Election Processes

INDEF PP

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
DAGGETT	OTP-AM MAJ	
TUTTLE	OTP-AM MIN	

LD 1376 proposed to increase access to the ballot and other election processes for new parties, unenrolled candidates and unenrolled voters by requiring a 5% vote or petition requirement to be met every four years instead of every two years; allowing any registered voter to sign a petition to form a new political party so long as the voter is not enrolled in a political party other than the one being formed; clarifying the petition filing procedures for new political parties by adding a separate and earlier deadline for petitions to be submitted to local election officials before they are submitted to the Secretary of State; allowing registered voters who are not enrolled in a political party to serve as elections clerks on election day; improving access to municipal lists of registered voters; prohibiting use of the word "independent" as the name of a political party so that it may be used only by candidates who do not belong to any political party; and declaring a proposed political party to be a legally qualified political party whenever it first meets the 5% threshold requirement of collecting signatures or winning votes.

LD 1389

An Act to Allow Partially Consumed Bottles of Wine to be Taken from Restaurants

PUBLIC 306

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SAXL M	ONTP MAJ	H-308
DAGGETT	OTP-AM MIN	

LD 1389 proposed to allow restaurant patrons to transport unfinished bottles of wine purchased at the restaurant from the premises. It required that the wine must be ordered with a meal by patrons and the wine must be partially consumed on the premises. The purchaser could not be visibly intoxicated and the partially consumed bottle of wine must be resealed and bagged by the licensee.

Committee Amendment "A" (H-308) clarified the penalty provision and exempted the transport of liquor for partially consumed bottles of wine with certain restrictions.
