ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1393 proposed to raise compensation for members of the Panel of Mediators from \$100 per day, plus expenses, to \$100 for every 4 hours of mediation services provided, plus expenses.

Committee Amendment "A" (H-587) proposed to clarify the method of calculating the amount of compensation due to the members of the Panel of Mediators. It provided that members would be compensated in the amount of \$100 for the first four hours of mediation services provided, and \$100 for each consecutive period of up to four hours thereafter. The amendment also proposed to clarify that members must be compensated for each case handled in a single day according to the calculation method provided. This amendment proposed to expressly override the provisions of Title 5, section 12003-A, subsection 9, which prohibits members of boards established by the Legislature from being compensated for more than one meeting in a single day. The amendment also proposed to require members to allocate their necessary expenses to the mediation session that required the costs.

Senate Amendment "A" to Committee Amendment "A" (S-308) This amendment proposed changes by the Committee on Bills in the Second Reading to correct the amending clauses and section designations in the committee amendment.
