ONE HUNDRED EIGHTEENTH LEGISLATURE FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, <u>History and Final Disposition of Legislative Documents</u>, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

The bill proposed to prohibit a center from limiting admission based on certain criteria listed in the Maine Revised Statutes, Title 20-A, section 7505, subsection 4, paragraph C, but allow a center to limit admission to students within a special age group.

The bill also proposed to require a center to be financed by the General Fund and would require the Commissioner of Education to develop guidelines for determining various costs. The commissioner is given the authority to operate and supervise a center to provide education for students with severe emotional disorders.

The bill also proposed to require the superintendent of the school administrative unit in which a student resides to apply for enrollment in a center, in accordance with regulations and guidelines set by the commissioner. The unit's pupil evaluation team must decide to make the application, with the consent of the student's parent, based on inability to meet the student's needs in any other state program. Transportation to a center would have been provided in accordance with regulations and guidelines set by the commissioner.

CLUKEY		

LD 1398 proposes to clarify the authority of school boards in disciplining exceptional students. Under the provisions of this bill, school boards:

- 1. Have the duty to apply an appropriate disciplinary sanction to an exceptional student whose misconduct violates school rules;
- 2. May authorize superintendents, principals or assistant principals to sanction exceptional students for such infractions; and
- 3. May interrupt an exceptional student's special education program when that student is suspended from school for 10 days or less.

The bill further proposes to require the Department of Education to remove state special education regulations that compel school administrative units to provide special educational services to an exceptional student who has been suspended for violation of school rules. The bill was carried over to the Second Regular Session of the 118th Legislature.
