FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Sponsor(s)
KILKELLY

Committee Report

Amendments Adopted

LD 1430 proposes establishing the Maine State Board of Licensure for Professional Loggers as the regulatory body for the profession. The bill proposes qualifications for licensure including a two-year internship under the guidance of a licensed logger unless the person has graduated from an approved two-year curriculum and has completed at least two years of experience in logging work. Applicants would also have to pass a written examination approved by the board. The annual licensing fee would be determined by the board, but could not exceed \$55 annually.

Pursuant to the Maine Revised Statutes, Title 5, section 12015, subsection 3, an evaluation of the need for regulation of loggers must be completed prior to enactment of this bill.
