**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Committee Amendment "A" (H-470) replaced the bill. The amendment proposed to create the civil violation of creating a police standoff. The amendment would define "barricaded" for purposes of a standoff and give the court discretion to order a person who creates a police standoff to pay restitution to the responding agencies. The amendment also proposed to add a fiscal note.

House Amendment "A" to Committee Amendment "A" (H-676) proposed to clarify the definition of "barricaded."

Enacted law summary

Public Law 1997, chapter 426 creates the civil violation of creating a police standoff. Public Law 1997, chapter 426 allows the court to order a person who is guilty of creating a standoff to make restitution in an amount equal to the costs incurred by the agencies responding to the standoff or \$500, whichever is greater.
