**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

Final action on each bill is noted to the right of the bill title. The abbreviations used for various categories of final action are as follows:

<i>CON RES XXX</i> .....	<i>Chapter # of Constitutional Resolution passed by both Houses</i>

LD 1390 proposed to prohibit a voter registrar from allowing public inspection of a voter's address if the voter has signed a statement that the physical safety of the voter or a member of the voter's family residing with the voter is jeopardized by public disclosure of the address. The address must be disclosed to law enforcement authorities who request it and to persons specified in a court order. The voter's name, political affiliation, electoral district and the sworn statement would remain subject to public inspection.

**Committee Amendment "A" (H-332)** adds a mandate preamble and changes "sworn statement" to "signed statement".
