**ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS**

**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

| ETNIER | | |

LD 1445 proposes to require that a holder of a Class I, Class II or Class III lobster and crab fishing license must fish from a vessel owned or controlled by the license holder or a member of the license holder's family unless there is a documented illness or disability. This requirement applies to persons who, on the effective date of the Act, hold a Class I, Class II or Class III license and fishing from a vessel not owned or controlled by the license holder. The bill was carried over to the Second Regular Session of the 118th Legislature.

| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |
|-------------------|-------------------------|---------------------------|
| MILLS | | |

LD 1478 proposes to change the general penalty for violation of the marine resources laws from a Class D crime to a civil violation for which a forfeiture of not less than \$100 and not more than \$500 would be adjudged. The bill changes several criminal violations to civil violations. Violations kept as crimes would be amended to specifically state that they are Class D crimes. The bill was carried over to the Second Regular Session of the 118th Legislature.

LD 1488

Resolve, to Study the Restriction of Entry in Lobster Management Zones RESOLVE 28

| <u>Sponsor(s)</u> | <u>Committee Report</u> | <u>Amendments Adopted</u> |
|-------------------|-------------------------|---------------------------|
| ETNIER | OTP-AM MAJ ONTP MIN | H-247 |

LD 1488 proposed to allow a lobster management zone council to recommend rules to the Commissioner of Marine Resources to limit the number of people who may fish a majority of their lobster traps in a zone. It also proposed to give the Commissioner of Marine Resources authority to adopt those rules. The rules would limit the number of people who may fish a majority of their traps in a zone to a number that is less than or equal to a 20% reduction from the number of lobster and crab fishing license holders who, as of December 31st of the first full calendar year in which the zone was operational, designated that zone as their declared lobster zone. The bill also proposed to provide a method for allowing new zone entrants to fish a majority of their traps in a limited harvesting lobster zone when the number falls below the capped amount.

Committee Amendment "A" (H-247) proposed to change the bill from an Act to a resolve. It proposed to direct the Lobster Advisory Council to submit a report to the Joint Standing Committee on Marine Resources by February 1, 1998 regarding the establishment of limited entry provisions for lobster management zones.
