**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

5. Makes court review of out-of-home placement determination take place every 12 months pursuant to federal law;
6. Amends the Department of Corrections' confidentiality provision to facilitate receipt of federal funds;
7. Adds the term "deduction" to prisoner disciplinary statute pursuant to changes in good time;
8. Clarifies that persons transferred to the Department of Corrections from a county jail are transferred to the department, instead of to a specific facility; and
9. Clarifies that a juvenile who, prior to sentencing, is detained in any state facility is entitled to receive a day-for-day reduction from the juvenile's total required term of imprisonment. Currently, the law gives such credit to a juvenile who has spent time in a "correctional facility," which includes the Maine Youth Center but does not include the Northern Maine Regional Juvenile Detention Facility.

It would have made the following elements mandatory in every disposition: complete restitution for economic and physical loss, for which the juvenile's parents or legal custodians were jointly and severally liable; community service, overseen by local authorities; placement at the Maine Youth Center; and a letter of public apology. The bill proposed to require the courts to increase a penalty if, at the time of the offense, the juvenile were truant or had been previously adjudicated or convicted of harassment.
