**Summary Of Legislation Before The Joint Standing Committees
August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1525 is being carried over to the Second Regular Session of the 118th Legislature. The bill proposes to repeal the two-tier certification or registration structure for massage therapists and expand the authority of the Board of Complementary Health Care Providers to include regulation of massage therapists. Under the bill, to qualify for licensure, a person must have passed the National Certification Examination for Therapeutic Massage and Bodywork or have a diploma from a school of massage therapy that is accredited by the Commission on Massage Training Accreditation/Approval or its successor organization. Provisions are outlined for existing massage practitioners to obtain licensure.

This bill is subject to the requirements of Maine Revised Statutes, Title 5, section 12015, subsection 3 which require any joint standing committee of the Legislature that recommends to the Legislature the regulation of an occupational profession not previously regulated must include an evaluation of the need for regulation.
