ONE HUNDRED EIGHTEENTH LEGISLATURE
FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

LD 1561 proposed to establish a task force for the purpose of examining the impact of federal downsizing on state programs including the following: the ability of the State to increase the efficiency with which programs are managed to make reduced funds go further; shifting funds from other parts of the state budget to maintain service levels; shifting responsibilities from the State to lower levels of government; and raising new state revenue to substitute for the withdrawal of federal funds. The task force was to report its findings and any necessary legislation by December 15, 1997.
