**Summary Of Legislation Before The Joint Standing Committees**  
**August 1997**

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet ([www.state.me.us/legis/opla](http://www.state.me.us/legis/opla)).

**LD 1622**                      **An Act to Require That a Course in Multicultural Education Be Included in All Teacher Preparation Programs in the State**                      **CARRIED OVER**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
MCKEE PARADIS		

LD 1622 proposes that teacher preparation programs offered in the State must include a mandatory course in multicultural education. The bill was carried over to the Second Regular Session of the 118th Legislature.

**LD 1626**                      **An Act Requiring Voter Approval for the Relocation of an Elementary School Class**                      **ONTP**

<u>Sponsor(s)</u>	<u>Committee Report</u>	<u>Amendments Adopted</u>
SKOGLUND PINGREE	ONTP      MAJ OTP-AM    MIN	

LD 1626 proposed to ensure that the interests of the voters in a member municipality are not ignored or overridden by the board of directors of a school administrative district when the board of directors proposes to relocate an elementary school class or classes outside of the boundaries of the member municipality. This bill would have required that:

1. Prior to the proposed relocation of an elementary school class, the member municipality voters would have the right to vote on the proposal;
2. Any additional costs or savings that result from not relocating a class or classes would be a part of the article presented to the voters; and
3. Any adjustment in a member municipality's payment that results from the relocation or nonrelocation of an elementary school class or classes would be debited or credited to the member municipality's assessment in equal monthly amounts or by another method mutually agreed upon by the municipality and the board of directors of the school administrative district.

**Committee Amendment "A" (H-352)**, the minority report of the Joint Standing Committee on Education and Cultural Affairs, proposed to add a mandate preamble and a fiscal note to the bill.
