FIRST REGULAR AND FIRST SPECIAL SESSIONS

Summary Of Legislation Before The Joint Standing Committees
August 1997

We are pleased to provide this summary of bills that were considered by the 15 Joint Standing Committees of the Maine Legislature staffed by this office. The document is a compilation of bill summaries which describe each bill, committee amendments and other relevant amendments, as well as the final action taken on the bill. Also included are statistical summaries of bill activity this Session for the Legislature and each of its joint standing committees.

The document is organized for convenient reference to information on bills handled by the joint standing committees. It is organized alphabetically by committees and within committees by bill (LD) number. The committee report(s), prime sponsor for each bill and the lead co-sponsor(s), if designated, are listed below each bill title. All adopted amendments are listed by paper number. Two indices, a subject index and a numerical index by LD number are provided for easy reference to bills. They are located at the back of the document. A separate publication, History and Final Disposition of Legislative Documents, may also be helpful in providing information on the disposition of bills. These bill summaries also are available at the Law and Legislative Reference Library and on the Internet (www.state.me.us/legis/opla).

Committee Amendment "A" (H-486) proposed to allow the Victims' Compensation Board to inspect Juvenile Court records if a juvenile is alleged to have committed an offense upon which an application to the board is based. It also proposed to fund an increase in a part-time position.

Enacted law summary

Public Law 1997, chapter 378 expands coverage of the Victims' Compensation Fund to provide benefits to certain family and household members of victims who suffer financial and emotional loss as a result of crimes committed against the victims. It covers the crime of terrorism to comply with requirements for federal funds. It adds confidentiality provisions. The maximum award on a claim is increased from \$5,000 to \$7,500. Chapter 378 allows direct application by any individual, other than a provider of services, for reimbursement of medical and funeral payments made or obligations assumed for a deceased crime victim, but it leaves to the discretion of the board whether to make payments directly to a claimant or to the provider of services for which reimbursement is sought. It clarifies that the fund may receive federal funds, private donations and payments from state funds other than from the General Fund. Chapter 378 allows the Victims' Compensation Board to inspect Juvenile Court records if a juvenile is alleged to have committed an offense upon which an application to the board is based. It increases funding for a part-time position currently funded by the Victims' Compensation Fund.
